Health and Human Services Commission

RE: Preliminary Adoption of an Amendment to the Diagnostic Testing and Hyperbaric Oxygen Treatment Pilot Program Rule, 410 IAC 37-1-15, LSA# 19-575.

The Indiana State Department of Health requests that the Executive Board, at the Board's November 13, 2019 meeting, adopt the proposed amendment to the administrative rule governing the Diagnostic Testing and Hyperbaric Oxygen Treatment Pilot (HBOT) Program, 410 IAC 37-1-15, LSA# 19-575.

The proposed amendment would extend program rules in accordance with IC 10-17-13.5-6. The current rule is set to expire on June 30, 2020. By statute, the HBOT Program is extended to June 30, 2021.

A Notice of Intent will be published on the Indiana Register Website on November 13, 2019 starting the one year period to adopt this rule amendment.
